theBigHouse

the BigHouse is our community center in the heart of Sofia, Bulgaria, and we need your help to keep it open! Our mission is to be the light in the community, pointing our neighbors and the people we meet toward Jesus. Some of the things we offer:

- Food pantry
- Clothes
- English clubs
- International Bible study
- Game nights
- Craft nights
- Service projects
- more!

In order to continue the doors that are being opened by the ministry of **the BigHouse**, pointing people toward Jesus on a daily and ever-growing basis, we need you to consider adopting **the BigHouse**. Only \$1000 per month will allow us to keep our doors open and to continue to reach our community for Christ.

You can adopt for:

- 1 month - \$1000 (only \$2.75/day)
- 2 weeks - \$500 (only \$1.37/day)
- 1 week - \$250 (only \$.68/day)

You can donate immediately, or you can contact us and let us know what amount you will commit to, and when. To donate immediately, visit www.beautifulfeet.global, click on 'Donate' and then under 'Special Funds and Projects' choose '0355 - the BigHouse Foundation.'

In 2018 two incredible things happened. First, we found the perfect location in our neighborhood to house the community center God was calling us to open - and at a price almost unheard of in our area!

Second, we received a generous gift that allowed us to rent the space for a full two years!

God has blessed us with great opportunities and growth, but now those two years are almost up.

WE NEED YOUR HELP!
